

THE CENTER FOR SIGHT

NOTICE OF COVID-19
MINIMUM STANDARDS OF SAFE PRACTICE

All physicians providing patient care or engaging in an in-person encounter at The Center For Sight will follow the minimum COVID-19 standards of safe practice.

- (1) A mask must be worn by both the patient and physician or the physician's delegate when in proximity of the patient or another employee (meaning less than a 6-foot distance between the patient and the physician or the physician's delegate);
- (2) Policies this facility has in place regarding COVID-19 screening and testing and/or screening patients;
- (3) Before any encounter, patients must be screened for potential symptoms of COVID-19 or verified previously screened within the last 20 days; and
- (4) Prior to providing care involving a medical procedure or surgery on the mucous membranes, including the respiratory tract, with a high risk of aerosol transmission, the minimum safety equipment used by a physician or physician's delegate should include N95 masks, or an equivalent protection from aerosolized particles, and face shields.
