

## COVID-19

At The Center For Sight, our number one priority has always been the health and safety of our patients. As a leading healthcare provider in our community, we wanted to reach out to all our patients regarding the coronavirus (COVID-19), and let you know the steps we are taking to alleviate any potential concerns.

According to the latest reports from the Centers for Disease Control and Prevention (CDC) the current health risks are minimal for most age groups. We recommend all of our patients wash their hands frequently, avoid close contact with people who are sick, and stay home if you are not feeling well.

We follow strict cleaning policies for the protection of our patients and our staff. Each staff member maintains rigorous personal hygiene standards as well as using personal protective equipment (PPE). We use hospital-grade disinfectants across the entire office, with extensive room cleaning after each patient. All exam rooms, equipment, and instruments receive the highest level of medical sterilization available.

PLEASE DO NOT ENTER OUR OFFICE if you are or have experienced the following symptoms in the past two weeks:

- FEVER
- COUGH
- UPPER RESPIRATORY INFECTION
- ANY TRAVEL OUT OF THE COUNTRY, STATE, OR KNOWN CORONAVIRUS AREAS
- TRAVELED BY AIRPLANE OR CRUISE SHIP
- HAVE BEEN AROUND ANY SICK CONTACTS

If you are experiencing signs of illness, please call us at 936-634-8434 to postpone your appointment.

Please rest assured that we are following local and national updates daily, and will continue to maintain the highest level of safety and patient care that you have come to expect. If you have

any questions regarding your appointment, please do not hesitate to reach out to us. We appreciate your cooperation and look forward to seeing you.
